**NIGERIA'S PLAN FOR THE CELEBRATION OF THE 30<sup>TH</sup> ANNIVERSARY OF THE  
VIENNA CONVENTION FOR THE PROTECTION OF THE OZONE LAYER AND THE  
2015 INTERNATIONAL OZONE DAY**

I am directed to acknowledge with thanks the receipt of your letter with reference: Oz.Sec/VC at 30 and Ozone Day 2015 dated 15 May, 2015 on the Celebration of the 30<sup>th</sup> anniversary of the Vienna Convention for the Protection of the Ozone Layer and the 2015 International Ozone Day.

2. As part of the commemoration of International day for the Protection of the Ozone layer and also the 30<sup>th</sup> anniversary of Vienna Convention for the protection of the ozone layer, the Nigerian National Ozone Office plans to mark the anniversary and the Day with the following activities:

- Press Release
- Jingles on Ozone layer protection
- Secondary Schools Outreach Programme
- Youth Workshop
- Distribution of Awareness and Promotional Materials
- Radio/Television Commentary

2.1 **Press Release:** A press release by the Hon. Minister of Environment will be prepared in line with the UNEP guideline.

2.2 **Jingles on Ozone Layer Protection:** This will entail the production and airing on radio, message highlighting our obligation to protect the Ozone layer. The jingles will continue to be used to sensitize the public on Ozone Layer Protection thereafter.

2.3 **Secondary Schools Outreach Programme:** As part of the activities to commemorate the celebration of the 30<sup>th</sup> anniversary of the Vienna Convention in Nigeria, some selected secondary schools are expected to be visited and lectures delivered on the importance of the Ozone Layer Protection.

2.4 **Youth Workshop:** This programme will bring about youth from Voluntary Youth Organizations, Schools, Colleges, Industries and other relevant Organizations together to deliberate on the role youths in Ozone Layer protection.

2.5 **Distribution of Awareness and Promotional Materials:** Some awareness and promotional Materials on the importance of the ozone layer to mankind and the environment and the need to protect it are expected to be distributed to secondary school students and some other members of the general public as part of the activities to commemorate the celebration of the 30<sup>th</sup> anniversary of the Vienna Convention in Nigeria.

2.6 **Radio/Media news commentary:** The NOO hopes to create more awareness through the media on the importance of the Vienna convention on mankind and the environment and also on the importance of the ozone layer to mankind and the environment and the need to protect it.

It is expected that having achieved these plans and more that might come up; Nigeria would be recorded as one of the member states that contributed immensely to the Commemoration of the 30th anniversary of the Vienna Convention for the Protection of the Ozone layer.

3.0 Thank you.
