**RE: ESTABLISHMENT OF A LICENSING SYSTEM TO CONTROL  
HYDROFLUOROCARBONS (HFCs) UNDER ARTICLE 4B OF THE MONTREAL  
PROTOCOL**

This letter serves to confirm that the Government of Zimbabwe, through Statutory Instrument 49 of 2023, has established a licensing system for hydrofluorocarbons (HFCs) controlled under the Kigali Amendment as required by Article 4B of the Montreal Protocol. The Statutory Instrument was published on the 11<sup>th</sup> April 2023.

The regulations shall soon be uploaded on the Ministry's website which is [www.envirotourism.org.zw](http://www.envirotourism.org.zw)
